25X1 16. [redacted] LIAISON Called Andrew D. Duskie, House Select Committee on Narcotics Abuse and Control staff, to request that the Agency not be called upon to brief the Committee. Their request had been on our information about East German involvement in illicit drug traffic to West Germany. They are especially interested in drug abuse on the part of U.S. military in West Germany. Based on advice from [redacted] NARC/DDO, I told Duskie that we had very limited information on the subject and that all of it came from other agencies, particularly DEA. I suggested that since this was the case, the Committee would benefit more by speaking directly with the agency which developed the information. Duskie said he had hoped we would be able to present information, but agreed with our analysis. He said he would pass the information to Chairman Lester L. Wolff (D., N.Y.).

25X1 17. [redacted] LIAISON Spoke with Margaret Gibson, on Representative Alvin J. Baldus' (D., Wis.) staff, and provided her with unclassified information on a group of people in Pakistan known as the Mujahirs. She had requested this information because of a constituent inquiry. She asked that I send her a copy of the unclassified information we had and I told her we would do so.

25X1 ✓ 18. [redacted] LIAISON Called Kathy Cooper, in the office of Representative Les Aspin (D., Wis.), to arrange a date for Mr. Aspin to come to the Agency to review an NIE. Ms. Cooper said she would check with Mr. Aspin on the dates I provided (13 September at 9:45 a.m. and 14 September from 10:00 to 11:30 a.m.) and let me know when he could come out.
